To: Residents currently enrolled in a Canadian Family Medicine program

Re: Enhanced Skills Program Application Process

Dear Family Medicine Residents,

I am writing to you as the Enhanced Skills Program Director at Western University to make you aware of the programs that we are offering for the 2022-2023 academic year. We have a vibrant and well-respected program uniformly enjoyed by all our residents. The application milestones can be found on our website.

Currently we are offering 22 positions in the following programs:

1. Emergency Medicine (8 positions - application through CaRMS)
2. Academic Family Medicine
3. Care of the Elderly
4. Child Health
5. Chronic Disease Management
6. Hospitalist, Windsor (6 month program)
7. Individualized Program
8. Palliative Care
9. Sport & Exercise Medicine
10. Obstetrics & Women's Health (6 month program)
11. Primary Care Rheumatology
12. Family Medicine Oncology

The on-line application form and further information about each program can be found on our website at: http://www.schulich.uwo.ca/familymedicine/postgraduate/enhanced_skills_programs.html

Please do not hesitate to contact me if you have any questions.

Sincerely yours,

Dr. Kyle Carter, MD, CCFP(EM)
Enhanced Skills Program Director & Assistant Professor
Department of Family Medicine, Western University
