OBSTETRIC MEDICINE CLINIC

VICTORIA HOSPITAL
LONDON HEALTH SCIENCE CENTRE

The Obstetric Medicine clinic is pleased to help provide maternal care for your patient. The clinic consists of general internists with a special interest and training in medical disorders in women who are already pregnant or contemplating pregnancy. The clinic focuses on maternal care, and thus complements obstetrical care, and is not meant to replace the expertise provided by our Maternal Fetal Medicine colleagues.

Common referrals include hypertension, shortness of breath, palpitations, syncope, abnormal blood tests or optimization and management of any medical disorders during pregnancy.

The clinic is currently located in the 5th floor, Zone E of Victoria Hospital. 800 Commissioners Rd E, London, ON N6A 5W9

To make a referral, please fax us at 1-888-789-6130.

If you have any questions or concerns, please call (519) 685-8500 x 57034.
