

Schulich Graduate & Postdoctoral Awards

Cobban Student Award in Heart and Stroke Research

The award was established by Audrey and Delmar Cobban and matched by Robarts Research Institute.

Awarded to a full-time Doctoral Student who is working with a Robarts Research Institute scientist and conducting research in the area of heart and stroke disease and is registered in a graduate program at the Schulich School of Medicine & Dentistry.

Value: 1 at \$1500.

Criteria:

Selection will be based on excellence in research. Academic achievement will also be considered, but a candidate's record of research is of primary importance.

Eligibility:

Doctoral candidates must have at least one year remaining for the completion of their degree to be eligible to apply. (Doctoral candidates are funding eligible up to a maximum of twelve terms unless they are a transfer student or direct entry student, who can receive funding up to fifteen consecutive full-time terms).

Deadline:

First Monday in May, each year

Application Procedure:

Graduate Chairs in each program may nominate one candidate. Nominated trainees may now apply online: [Online Awards Application](#)

Send all transcripts to gradstudies@schulich.uwo.ca. All documents must be attached and saved using your last name and name of document ie: SMITH_TRANSCRIPT_COBBAN.

Referees may send in their letters to gradstudies@schulich.uwo.ca. Trainees must have 2 reference letters to complete their application.

Adjudication Procedure:

A committee will consist of up to three graduate program Chairs. The committee will be chaired by the Associate Dean, Research (Graduate and Postdoctoral Studies). This committee will select the recipient(s).
