

# Schulich Graduate & Postdoctoral Awards

## The Collip Medal Award

**The Collip Medal Award was established in 1959 and is presented annually to the outstanding Ph.D. student graduating from one of the basic science programs in the Schulich School of Medicine & Dentistry. This award, in the form of a medal, commemorates the contributions to the University of Western Ontario, and to Canadian Biomedical Sciences, of one of the former Deans of Medicine, Dr. J.B. Collip. This award is based on the overall performance of a student during her or his tenure at Western.**

### **Criteria:**

Selection is based on academic performance as a graduate student, the quality of the thesis and the thesis defense, and the number and quality of publications (accepted for publication or in press).

### **Eligibility:**

Doctoral students from a Schulich School of Medicine & Dentistry graduate program that graduated either in Fall Convocation of the previous year or will graduate in Spring Convocation of the current year.

### **Deadline:**

Graduate Chairs must send in the complete nomination package by the first Monday in May.

### **Application Procedure:**

Complete nominations packages will include an up-to-date C.V, a copy of the thesis, completed transcripts, and the Form X. The Graduate Chair will also write a letter in support of their nominee. Submission are made directly to [jpritch7@uwo.ca](mailto:jpritch7@uwo.ca). Please PDF the entire package.

The Graduate Chair nominates one candidate from their program. Please note that if a suitable candidate is not available in a graduate program, a nomination for the Collip medal should not be submitted for consideration.

**Committee Detail:** A committee will consist of up to three graduate program Chairs. The committee will be chaired by the Associate Dean, Research (Graduate and Postdoctoral Studies). This committee will select the recipient(s).
