AWARDS

THE ROWNTREE PRIZE IN MEDICAL HISTORY (EST. 1929)

Awarded annually in memory of Dr. L.G. Rowntree for work in medical history completed by a Schulich Medicine & Dentistry medical student.

Dr. Leonard G. Rowntree (1883-1959) was born and raised in London, Ontario, graduating from Western University in 1905 as Gold Medalist. As a physician, researcher, teacher and administrator, he worked at Johns Hopkins Hospital, the University of Minnesota, the Mayo Clinic and later the University of Miami. He is most well known for the Rowntree Test for kidney function – the phenol-sulphophthalein test. He was a loyal alumnus of Western, serving as Medical Alumni President during the 1930s and attending numerous Western events over the years.
