National Assembly

Independence from France
1945

HISTORY OF VIETNAM

- Ancient Vietnam civilizations, first occurred around 4000 years ago, and were among the first to develop an agrarian society.
- Vietnam was governed by a series of Chinese dynasties from 200BC until 10th century AD.
- Following the Tonkin Campaign (1883-1886), Vietnam became a French colony.
- At the end of World War II, Ho Chi Minh declared Independence from France in 1945.
- The Vietnam war began in 1959 and ended in 1975 with the surrender of South Vietnam.
- Modern day Vietnam has reformed its economy and restored many diplomatic international relations.
