  - Dietician
  - Physiotherapist
  - OncoTeam
Highlights

• Made friends with international medical students
• Gained a new perspective of medicine

Challenges

• Language Barrier
• Travelling Alone
Leisure Time

- Budapest Sight Seeing
  - Parliament
  - Buda Castle
  - Fisherman’s Bastion
  - Thermal Baths
  - Hero Square
  - Basilica
  - Chain Bridge
  - Elizabeth Tower
  - Citadella
  - Margaret Island
• [https://www.youtube.com/watch?v=twa_7XVCpNQ](https://www.youtube.com/watch?v=twa_7XVCpNQ)

• Will Smith climbs up the Chain Bridge in Budapest
Recommendations

- Best to travel with a partner or group from Western
- If travelling alone- connect yourself to a medical student or international relations student in Budapest
- Get a metro pass early
- Organize a European SIM in advance
- Research the area you will be staying in
