Procedure to Report Incidents of Student Mistreatment or Unprofessional Behaviour for MD Students

You have experienced or witnessed a faculty member, other student, resident or other learner, health professional, or administrative staff member do something that was disturbing to you.

First: Attend to your immediate health & safety and that of anyone else who was affected.

- In an emergency, contact Emergency Services at your location or call 911.
- For contacts and advice, contact the Learner Equity & Wellness Office (https://www.schulich.uwo.ca/learner-equity-wellness) to:

We encourage you to follow up on the incident as suggested below.
Is your predominant concern that...

...you or another student has been harmed (physically, sexually, emotionally)?

Incident of Harassment or Discrimination

Contact:
UME
- The Learner Equity & Wellness Office in London or Windsor
- Western's Equity & Human Rights Services

Submit a report by using the online reporting form found at:
https://www.schulich.uwo.ca/learner-equity-wellness/

...you believe that the learning climate has been harmed or compromised (possibly including harm to someone other than a student)?

Incident of Unprofessional Behaviour

...sentimental or egregious or of major concern?

Contact:
UME
- The Learner Equity & Wellness Office in London or Windsor
- The Associate Dean, Undergraduate Medical Education
- The Course Director
- The Chair, Clerkship & Elective Committee

Submit a report by using the online reporting form found at:
https://www.schulich.uwo.ca/learner-equity-wellness/

...of minor concern?

You are encouraged to discuss the incident directly with the individual and/or describe it on the ONE41s evaluation of the course or the instructor.

If you are uncomfortable approaching the individual directly, consider consulting the course coordinator or rotation director OR
- If, after discussion, you still consider the matter to be unresolved.

If required by law or University/Hospital Policy and/or to address the situation you encountered, your report may be shared on a strict need to know basis. Your privacy will be respected.
