

Reporting incidents of Discrimination, Harassment, Mistreatment or other Unprofessional Behaviours

If you have experienced or witnessed an event, please follow the steps below to access the appropriate resources.

If concerned for the safety of yourself or others, please contact Emergency Services for your learning environment or call 911.

If not concerned for immediate safety you may follow one of the options below.

You may submit a report directly through the Mistreatment Reporting form.

Contact LE to arrange a confidential disclosure of the incident and advice for appropriate course of action.

Report directly to Western's Equity & Human Rights Office, Student Experience or Medical Affairs. Refer to the Chart of Complaint Processes to identify the appropriate reporting mechanism.
