

Schulich School of Medicine & Dentistry

Undergraduate Medical Education Academic Enrichment Travel Fund

What is the Fund For?	The disbursements from this fund are dedicated to promoting and facilitating undergraduate student travel to national meetings/conferences where you have been invited to present a paper/poster or equivalent arising out of your academic work
Who is eligible?	Any current student enrolled in the Schulich School of Medicine & Dentistry's MD Program
How can I apply?	Application documents and instructions can be found at https://www.schulich.uwo.ca/learner-equity-wellness/services/financial_assistance.html
What are the deadlines?	Applications need to be received and approved at least one month before the planned travel. An annual call will go out 3x each year. For the 2020-2021 calendar year, the deadlines are November 1, 2020, February 1st and June 1, 2021.
What can the funds be used for?	Funds awarded as a result of successful applications will be limited to those incurred with respect to travel, registration, accommodation & meals. All modes of travel must be in economy class.
What are the limitations?	Individuals may only apply once annually to access funding. Students are required to first seek financial support from their project supervisor/host department to help fund their travel. Proof of this attempt to secure funding will be required as part of student's application to this fund. Research that has been presented at other national meetings/conferences is not eligible for support.
What is the maximum amount of funding available?	The maximum amount of funding available per request is \$ 500.00
I've been approved. How do I get reimbursed?	Complete Western's Travel Fund Form and submit it along with any related receipts to the Learner Equity & Wellness Office. The form will be reviewed and submitted to the Finance Office. A cheque will be issued to you within one month of submission.
