Year 2 and 3 students:

Please note that all documentation meeting the Entering Student Requirements must be uploaded to your Verified account AND students must have received a notation of "PASS" on their previous year's appointment with Synergy. To determine this, students must login to their account in Synergy Gateway's Verified system and check what has been written for them under the Communications tab. If documentation is missing or follow up is required, you will see a notation. Please ensure you have all required documentation uploaded before your scheduled appointment to avoid extra charges.

The following checklists show what is required of students in each of Year 2 & 3 of all **graduate orthodontics** program.

If all required documentation has not been provided, a status of "FAIL" will be assigned to your file and you will not be permitted to engage in clinical activities until you have obtained the required documentation, have booked a follow up appointment, and paid the required fee.
