May 2019

Dear Meds 2023:

Welcome to Schulich Medicine!

We know that your arrival at Schulich is the end product of many years of hard work. Your personal strengths and passion for the study of Medicine have and will continue to serve you well in the years that are to come.

The Learner Equity & Wellness Office is dedicated to helping keep you on the track to success. Our office participates in many ways to support your learning experience at Schulich. In addition we will also be working with other partners in Schulich to help with career management. We are your “go to” people for your questions about your physical and mental health, learning supports, career choice and transitions, financial issues and concerns about your learning environment. Our goal is to assist you in good times and in more challenging times. In London we are located in Room K1, in the Kresge Building (tel. 519-661-4234). For those of you beginning your studies at the Windsor site, you will find friendly and helpful service in Room 2124A of the Medical Education Building (tel. 519-253-3000 x 4312).

Congratulations on being selected for our Program. We are keenly interested in your well-being and just as focused on seeing you succeed during the next four years. Please keep in touch with us and, certainly, should you experience any worries or concerns, come and see us, we are here for you!
