

SCHULICH CLASS OF 2027

On behalf of the **Ontario Medical Students Association (OMSA)**, we would like to congratulate you on your admission to medical school! We are so excited for you to join our community and look forward to getting to know you over the next few years.

OMSA is your provincial governance and advocacy body, and as a medical student, **your automatic and free membership** gives you access to OMSA's many events, services, and grants. OMSA is also your **dedicated student voice** to various healthcare, health policy, and medical education bodies including the Ontario Medical Association (OMA), the College of Physicians and Services of Ontario (CPSO), the Canadian Federation of Medical Students (CFMS), and the Council of Faculties of Medicine (COFM).

Finally, **we are a leadership development organization**, aiming to create educational and extra-curricular environments that promote personal growth and advance leadership skills. We encourage you to get involved with OMSA **early and often**, whether applying for grants, attending events, or participating in our many committees and sub-committees!

To ensure you stay in the loop, **follow us on our socials:**
