

February 2024

Dear Doctor of Dental Surgery Class of 2028,

Welcome to Schulich Dentistry!

We know that your arrival at the Schulich School of Medicine & Dentistry is the result of many years of hard work. Your personal strengths and passion for the study of Dentistry have and will continue to serve you well in the years to come.

The Learner Experience Office is dedicated to supporting a future generation of dentists in their personal wellbeing, academic success and professional development. Our office participates in many ways to support your experience at Schulich in both the good times and the not so good times. We are your “go to” people for your questions about your physical and mental health, learning supports, career choice and transitions, financial issues, and concerns about your learning environment. For more information on what we do, please visit our web page at https://www.schulich.uwo.ca/learner_experience/

We are located in Room K1, in the Kresge Building. You can reach us by email at learner.experience@schulich.uwo.ca or by phone at 519-661-4234.

We are genuinely interested in your well-being and are keen on seeing you succeed during the next four years. Please keep in touch with us and should you experience any worries or concerns, come and see us. We are here for you!
