DUE DATE	MEDICAL REQUIREMENTS <i>These requirements are mandated for clinic placements. Students are not permitted to begin any clinical experiences until proof of clearance is received for all below requirements. Please refer to “Pre-Clinical Placement Clearance Information” and “Pre-Clinical Placement Q&A”.</i>	INSTRUCTIONS	COMPLETED
October 30, 2020	Tuberculosis (Mantoux) – 2 Step TST (+ 1-Step TST if required) Documented proof of a 2-step TB Skin Test (TST). If 2-Step TST was completed <i>more</i> than 12 months ago, a current 1-Step TST is also required. If either TST is positive, the student will require medical follow-up with chest x-ray.	Western’s Student Health Services (SHS) has reduced their services due to the Covid-19 pandemic. They are not currently offering pre-placement health clearances at this time. As a result of this situation we have set the deadline to have met this requirement later in the fall when we anticipate this situation may change. What you can do now and in the next several months: - review immunization requirements outlined in this document - book an appointment before the end of August with your family doctor to obtain prescriptions and or any medical records needed - watch this site for updates on when these pre-placement health clearances are available again. When you do visit SHS: -bring originals of all supporting documentation to clearance appointment at Student Health Services. - keep a copy of the Clearance Form SHS grants you for your records.
