

## Pre-Placement Requirement Clearance Information (for MD Students).

*In partnership with Synergy Gateway Inc.*

The Schulich School of Medicine & Dentistry has partnered with Synergy Gateway Inc. to provide support and clearance for pre-clinical placement requirements.

To have your documents validated you will be required to book an Electronic Requirements Verification (ERV) appointment through Verified, a proprietary platform that is used by students across Ontario for the purpose of digitally collecting placement requirements and documentation for verification. Log-in details for [Verified](#) will be sent to **your Western email account** once your personal account has been set up or updated which is expected to be completed later in mid to late June.

Verified can be accessed here: <https://verified.sgappserver.com/>

### 2024 – 2025 DEADLINES

**Meds 2027 and 2028: August 14, 2024**

**Meds 2025 and 2026: July 29, 2024**

### BEFORE YOU BOOK YOUR MANDATORY ERV APPOINTMENT

- Make sure you have reviewed the list of pre-placement requirements and have planned out when and how you will be completing them. It is important to remember that some requirements may take an extended time to complete.
- Upload all required documentation to the Verified Platform at least 24 hours prior to your ERV service date (*For help in navigating the Verified system, please login to the system and go to the section titled: [Important Forms](#). There you will find user guides to assist you with the process*)
- Ensure that ***all requirements have been met and proof of completion has been received BEFORE*** you *book* your scheduled appointment<sup>£</sup>. You will not be cleared until *all* requirements have been submitted.

If documentation is missing or a requirement is not complete, you will need to book a follow-up appointment for an additional fee.

Synergy Gateway Inc. is *not* the authority on School of Medicine policies and deadlines. Please check with the Learner Experience Office ([learner.experience@schulich.uwo.ca](mailto:learner.experience@schulich.uwo.ca)) if you have questions about anything related to pre-placement requirement deadlines.

Please upload for your appointment:

- Blood lab reports (as required)
- Yellow immunization card or other proof of immunization

- Certification cards (as required)
- Clear scans all documents

## YOUR ERV APPOINTMENT

In order to meet the pre-clinical placement requirements, you need to complete the following steps once your access to the Verified system is activated:

- Ensure that all requirements have been uploaded to your profile in the **Verified** platform.
- **Book an ERV appointment through your Verified account** (well before your requirement deadline). This notifies Verified by Synergy Gateway that your profile is ready for verification.
- To avoid paying additional appointment fees, ensure all your documentation has been uploaded *prior* to 9am of your ERV appointment date.
- Please upload for your appointment:
  - Blood lab reports (as required)
  - Yellow immunization card or other proof of immunization
  - Certification cards (as required)
  - Clear Scans of all documents
- Please note that you do not need to “show up” for an appointment with Verified. When you book an appointment, you are reserving a time for your documents to be reviewed. Once your documents have been reviewed you will receive an electronic notice in the *Compliance* tab of the Verified Platform within 24- 48 hours of the completion of the booked appointment

If you need to cancel an appointment, ensure you cancel **at least 24 hours** prior to your appointment, or *you will be charged for a missed appointment*.
