

POSTGRADUATE MEDICAL EDUCATION
SCHULICH SCHOOL OF MEDICINE & DENTISTRY
RESIDENCY AND AREA OF FOCUSED COMPETENCE (AFC)
PROGRAM DIRECTOR APPOINTMENT POLICY

Revised: May 10, 2022

Approved by PGME Committee: June 8, 2022

Approved by Clinical Chairs Committee: June 2022

Approved by ECSC: September 9, 2022

Date of Next Scheduled Review: Fall 2025

Preamble

The *General Standards of Accreditation for Institutions with Residency Programs* and the *General Standards of Accreditation for Areas of Focused Competence Programs* require that each accredited postgraduate program has a Program Director who is responsible for the overall conduct of the program. The Program Director reports to both the Chair of the Department/Division as well as the Associate Dean, Postgraduate Medical Education (PGME).

The Department/Division Chair and Associate Dean, PGME are jointly responsible for ensuring that the Program Director has sufficient qualifications, time, and support to administer the residency program.

Policy Reference

- [General Standards of Accreditation for Institutions with Residency Programs](#)

Standard 1.2.4.2: There is a collaborative process between the academic lead of the discipline and the postgraduate dean for the appointment of each program director.

Procedure

The following procedures apply with respect to the selection and appointment of the Program Director:

1. The Department/Division Chair (or delegate) will notify the Associate Dean, PGME when a change in Program Director is being considered and will indicate the rationale for the change.
2. The appointment of a Program Director will be the conjoint responsibility of the Department/Division and the Associate Dean, PGME.
3. The process for selection of a Program Director will ensure the following are considered:
 - 3.1 An open call for applications should be made to all eligible faculty members.
 - 3.2 The call for applications should include the Schulich generic Program Director Job Description, so that interested applicants are aware of the requirements of the position.
 - 3.3 Interested applicants should submit a letter of intent and curriculum vitae.
 - 3.4 Selection is made by a Selection Committee.
 - 3.4.1 Committee Membership should include representation from each of the following: resident(s)/AFC trainee(s) selected by their peer, faculty, administrative staff, site representatives (if distributed) and Residency/AFC Program Committee member(s).
 - 3.4.2 The Department/Division Chair and Associate Dean, PGME will co-chair the Selection Committee.
 - 3.4.3 The Selection Committee will review applications and invite candidates under consideration for an interview. Interviews should be kept confidential to the committee. A list of interview questions should be created in advance to ensure consistency across interviews.
 - 3.4.4 Attributes to be addressed include specialty expertise, educational and administrative expertise, discipline certifications, current hospital / academic appointment status, and other relevant attributes as determined by the Selection Committee.
 - 3.4.5 The process will be free from discrimination, coercion, and favouritism, and adhere to [Western Equity and Human Rights policies](#).
4. The final appointment will be approved by both the Department/Division Chair and the Associate Dean, PGME. Results of the selection process should be communicated as soon as possible to all candidates.
5. The PGME office will notify the Royal College of Physicians and Surgeons of Canada (Royal College) or the College of Family Physicians of Canada (CFPC) of the names of newly appointed Program Directors within two weeks of the appointment.
6. All new residency Program Directors will be required to undertake coaching from a past Program Director. The coaching process, including coach selection, will be organized through the PGME Office and will begin within the first three months of appointment, and last for the first 12 months of appointment. The coach will not be from the same academic program as the new residency Program Director.
 - 6.1 Coaching is optional for AFC Program Directors.

- 6.2 This does not apply to new Program Directors who have previous residency Program Director experience (i.e., within another discipline), or to Interim Program Directors with appointments 12 months or less.
- 6.3 Those who have previously acted as Associate/Assistant Program Directors may be able to forgo coaching at the discretion of the PGME Office.
- 6.4 The coaching process is specific to the Program Director appointment and is separate from faculty mentorship established through the Department/Division.
- 7 All new Program Directors (residency or AFC) will be required to meet one-on-one with the Associate Dean, PGME, within the first six weeks of appointment. This will be facilitated by the PGME Office.
- 8 The usual term of a Residency Program Director is 3-5 years (renewable once, or in exceptional circumstances, more than once).
- 9 Whenever possible, programs should consider succession planning carefully, and select a new Program Director early enough to allow some overlap and mentoring with the outgoing Program Director.
