Training Level

Rotation Dates From:

To:

Please rank this resident's teaching performance on the scale from 1 to 7; for example, in Q.1, 1 being 'Negative attitude toward teaching' and 7 being 'Exceptional enthusiasm for teaching'

1. Demonstrates respect and consideration for students as people, with a positive attitude and enthusiasm toward teaching medical students:

2. Encourages student co-operation and teamwork:

3. Facilitates the student's integration into the team and encourages student input into the team's decision making:

4. Gives regular and helpful feedback:

5. Encourages students to follow up on learning with extra work (readings, presentations, etc.):

6. Communicates clear and reasonable expectations that are appropriate to the student's level of ability:

7. Respects diverse talents and is flexible with student's different learning needs:

Describe why you believe this resident is an excellent teacher. All comments are reviewed and play an important part in selection of the Award winner.
