GOVERNANCE

The PGME Advisory Board reports to the Associate Dean, PGME.

MEMBERSHIP

- Five (5) faculty members appointed by the Associate Dean, Postgraduate Medical Education, who are familiar with postgraduate medical education but are not current Program Directors.
- One (1) resident appointed by the PGME office.
- Manager, PGME Office, or delegate.

The faculty members should be from as many different departments and programs as possible.

PGME will also appoint an additional resident as an alternate who shall serve on the Board in the event of the unavailability of the resident member.

The Chair shall be appointed by the Associate Dean, Postgraduate Medical Education, from the five faculty members of the PGME AB.

Appointments to the PGME AB are for two years and are renewable.

Committee members must declare any conflict of interest or potential conflict of interest. In such cases the Chair may excuse the committee member. If the Chair has potential conflict of interest the Chair may delegate another committee member to act as Chair.

MEETINGS

Meetings are scheduled monthly during the academic year. Documents to be reviewed should be submitted to the PGME AB a minimum of two weeks prior to the scheduled meeting.

RESPONSIBILITIES

1. To review and approve all remediation plans and probation plans prior to implementation.
2. Upon request, to assist residency program committees in the design of a remediation plan or probation plan or independent learning plan.
3. At the request of the UWO PGME Committee and/or the Associate Dean of Postgraduate Medical Education to provide advice on matters relevant to resident evaluation, remediation, probation or promotion.

The Chair and Board may consult with such individuals as they determine necessary to fulfill these responsibilities.

All committee members and administrative support persons are required to protect and keep confidential all committee information received, both verbal and written.
