

PERSONAL INFORMATION

Western University respects your privacy. Personal information that you provide to the University is collected for the purpose of administering admission, registration, academic programs, university-related student activities, activities of student societies, safety, financial assistance and awards, graduation and university advancement, and reporting to government agencies for statistical purposes. At all times it will be protected in accordance with the Freedom of Information and Protection of Privacy Act. If you have questions, please refer to www.uwo.ca/privacy.

By signing your Letter of Appointment, you agree that your personal information collected during registration may be transmitted to relevant government departments, accrediting agencies, sponsoring agencies, health information agencies such as all hospital and clinical training sites affiliated with Western University, the Ontario Physician and Human Resources Data Centre (www.ophrdc.org), and the Canadian Post-MD Education Registry (www.caper.ca) which is a data-gathering and research arm of the Association of Faculties of Medicine of Canada (AFMC) with an interest in the post-MD clinical education of physicians in Canada. CAPER is funded by Health Canada, Provincial Ministries of health and professional medical organizations.

The information will be used to provide data for enrolment funding criteria, and to assist in health human resources planning by tracking admission and training criteria, and practice location of postgraduate medical trainees through their medical career. Publication of registration data will be at the aggregate level only in order to protect confidentiality.

Please contact the University's PGME Office at Tel. 519-661-2019 if you have questions regarding the collection and anticipated uses of this data.
