

**STATEMENT 3.4.12 – Statement Clinical International & Health Equity Learning Electives**

<b>Approved by:</b>	<b>Curriculum Committee</b>
<b>Date of original approval:</b>	
<b>Date of last review:</b>	<b>November, 2016</b>
<b>Date of next scheduled review:</b>	<b>November, 2017</b>

**I. PURPOSE**

Students contemplating electives in developing countries must arrange these with the assistance/approval of the International & Health Equity Learning (IHEL) office.

[http://www.schulich.uwo.ca/medicine/undergraduate/academic\\_resources/international\\_health\\_equity\\_learning/index.html](http://www.schulich.uwo.ca/medicine/undergraduate/academic_resources/international_health_equity_learning/index.html)

**II. STATEMENT**

- 1.0 All students attending an elective overseas must attend the Pre-departure Training Workshop, which is run through the Internationalization Office  
<http://www.schulich.uwo.ca/internationalization/>
- 2.0 The IHEL must provide an email confirming and approving electives. Approval for international electives must be received from the Internationalization Office  
<http://www.schulich.uwo.ca/internationalization/> as well as the Chair of the Electives Program. Confirmation emails can be sent to [dawn.macdonald@schulich.uwo.ca](mailto:dawn.macdonald@schulich.uwo.ca)
- 3.0 Students interested in international electives must register via the on-line registration form at [http://www.schulich.uwo.ca/medicine/undergraduate/academic\\_resources/international\\_health\\_equity\\_learning/index.html](http://www.schulich.uwo.ca/medicine/undergraduate/academic_resources/international_health_equity_learning/index.html) as well follow the checklist requirements listed on this same website.
