

Dr. FW Luney Graduate Travel Award in Microbiology & Immunology

Travel Award Application for Conference - Year X students are NOT eligible

This award may be given annually to full-time Masters or Doctoral students enrolled in the graduate program in Microbiology & Immunology. Students must have been enrolled in the graduate program for at least two terms at the time of application. Awards are intended to enable graduate students to attend/participate in online/virtual scholarly conferences or meetings to present their research.

This award was established by Mrs. Marion Isabelle (Luney) Murray in honour of her father, Frederick Winnett Luney, a pathologist and Western Professor. Number will vary. Value: up to \$2000.

Modified COVID - Graduate Travel Award Process for Conference

All documentation must be received one week prior to the online conference or training in order to be considered for the Travel Award.

1. Students will complete the fillable pdf Graduate Travel Award Application (attached).
2. Students are required to submit either a hard copy or a scanned copy of their abstract, the email stating the abstract has been accepted, the cost of registration along with their Travel Award Application to Umera Ali (uali@uwo.ca).
3. The amount of award will be up to \$500/person for the reimbursement of the online registration costs to participate in a virtual scholarly conference.
4. Once the travel award application has been received an email communication both to the student and PI will be provided as an approved confirmation of award and a description of reimbursement process.

Process of Reimbursement

1. No cash advances or direct charges are to be processed through the PI's account.
2. Students are required to pay the registration for the online/virtual conference.
3. Students will be required to keep all original receipts and submit to Umera Ali (uali@uwo.ca) for Award reimbursement.
4. The Travel Award will be awarded to the student's tuition account upon proof of payment (receipts required). If for whatever reason the student is not able to participate in the virtual conference the student will be required to pay back the award amount.
