why, the what and the how

IMPACT OF COVID-19 ON OBSTETRICAL AND GYNAECOLOGICAL CARE

The panel of speakers will address the outcomes and impact from COVID-19 since March 2020 using the knowledge gained, and how do we practice effectively in a COVID environment for the long run?

Topics include (*may be subject to change*):

- The latest guidelines on pandemic prenatal care
- COVID-19 in Canada - case presentations and lessons learned
- How to safely provide virtual care to our patients and what are the medico-legal considerations?

REGISTRATION: Only registered participants will be eligible for CME points. Registration information can be found online: http://www.schulich.uwo.ca/obsgyn/about_us/events/index.html or Google "Schulich ObGyn" and see "Upcoming Events" on our website! **Registration closes on Wednesday October 14, 2020.**
