“Beyond Bias – The Unconscious”

Dr. Stephanie L. Dubois, C. Psych

Psychologist, Assessment and Treatment & Rehabilitation Programs, Parkwood Institute; SJHC. Associate Scientist, Lawson Health Research Institute; SJHC. Adjunct Clinical Professor, Department of Psychology; Western University and University of Waterloo

Objectives:

- Learn about the science of unconscious bias
- Become aware of how “your story” can influence unconscious bias and in turn impact your decision making and relationships in and outside the workplace
- Apply new awareness and understanding to reduce the impact of unconscious biases

Hosted by: Palliative Care
