ONCOLOGY GRAND ROUNDS
Tuesday, February 5th, 2019

12:00 to 1:00 p.m. in Rooms A3-924A/B
London Regional Cancer Program

“Radiation Treatment Planning Redefined
The Future Is Now”

Hatim Fakir, PhD., MCCPM
Medical Physicist, London Regional Cancer Program, LHSC
Assistant Professor, Department of Medical Biophysics, Western University

Objectives:

- To discuss the opportunities in modern radiation therapy from a treatment planning perspective.
- To discuss the role of treatment planning systems in improving efficiency and safety.
- To discuss the role of treatment planning systems to support the academic excellence of a radiation therapy centre.

Hosted by: Radiation Oncology
