ONCOLOGY GRAND ROUNDS
Wellness & Resiliency Task Force Initiative
Tuesday, March 10, 2020

12:00pm to 1:00pm in Rooms A3-924A/B
London Regional Cancer Program

“The Landscape of Physician Health: an important conversation.”

Dr. Joy Albuquerque: Medical Director, Physician Health Program, Ontario Medical Association; Assistant Professor, University of Toronto.

Objectives:

• Understand the status and importance of physician health from an individual, community and cultural perspective
• Learn about the impacts and individual and systemic drivers of physician burnout as an occupational health syndrome for surgeons
• Discover some key tools for personal well-being and resilience
