ONCOLOGY GRAND ROUNDS
Radiation Oncology Initiative
Tuesday November 2, 2021

12:00pm to 1:00pm Via Webex Events London Regional Cancer Program

"Transfusing Blood in the Oncology Patient".
Dr. Ziad Solh, MD. MSc. FRCPC. DRCPS.

Assistant Professor, Department of Pathology & Laboratory Medicine, and Medicine,
Schulich School of Medicine & Dentistry
Division Head, Transfusion Medicine, Dept. of PaLM
Hematologist, Adult Red Blood Cell Disorder Clinic,
Dept. of Medicine,
London Health Sciences Centre & St. Joseph's Health Care
Associate Scientist, Lawson Research Health Institute
PSI Graham Farquharson Knowledge Translation Investigator

Objectives:
- Understand what is known about the benefits and risks of red cell transfusion in medical oncology, radiation oncology, and hematology oncology patients
- Understand how the Transfusion Medicine lab supports the needs of these patients and the doctors who care for them
- Understand the gaps between our local transfusion practices and the evidence base
