

18TH ANNUAL ONCOLOGY RESEARCH & EDUCATION DAY

Friday, June 10, 2022

Best Western Lamplighter Inn, London, Ontario

8:30am – 4:30pm

ABSTRACT SUBMISSION GUIDELINES

Who can submit an abstract?

- Graduate students, post-doctoral fellows, residents, fellows, medical students, undergraduate students, clinicians, and scientists
- All colleagues working in cancer research from across London Health Sciences Centre, London Regional Cancer Program, Robarts Research Institute, Lawson Health Research Institute, Western University, Windsor Regional Cancer Program and the Schulich School of Medicine and Dentistry
- There are poster and oral presentations available
- Only one (1) submission per person is permitted
- You must REGISTER for the event and ATTEND IN PERSON if you submit an abstract

What should I submit?

- The research should appeal to the interdisciplinary audience comprised of clinicians, researchers, leaders, trainees, and decision-makers working in cancer research and care
- Topics with translational research aspects are encouraged
- Topics related to novel cancer research, including but not limited to prevention, treatment, education and awareness, new cancer drug discoveries, screening technology, survival, patient outcomes, quality of life, and much more

What are the abstract guidelines?

- Abstracts must be single-spaced, 12 font size
- Please see the example template provided below and format your abstract as follows:
 - **Title:** bolded title in sentence form
 - **Author list:** list all authors
 - **Affiliations:** list of affiliations for all authors
 - Blank line for separation
 - **Abstract:** begin abstract text (no more than 500 words) with a blank line between each section
- The abstract text should be formatted as a structured abstract with the following sections:
 - Introduction
 - Methods
 - Results
 - Conclusions
- The above guidelines are **mandatory**
- Abstracts must be submitted as a single page in .PDF format

How do I submit by abstract?

- Send your abstract to Kimberly.Scott@lhsc.on.ca no later than April 22, 2022 at NOON.
- In your email:
 - Use the subject line: **Abstract Submission for Oncology R&E Day**
 - Please indicate the appropriate category for your abstract:
 - Fundamental Cancer Research
 - Cancer Imaging & Medical Physics
 - Clinical Oncology (including Medical Oncology, Radiation Oncology, Surgical Oncology, Hematology, Gynecological Oncology)
 - Indicate if you wish to be considered for an **oral presentation** (if you are not selected for an oral presentation, your abstract will still be considered for a poster presentation)
 - Attach your abstract as a one-page .PDF file

How are abstracts evaluated?

- All abstracts will be reviewed and judged by an assigned scientific organizing committee
- The content of the abstract should provide new insights or knowledge into cancer research
- The abstract is clear, well-organized, and significant
- The research is integrated, innovative, and impactful
- Notifications will be sent to all applicants via email

Please note that all abstracts that are not formatted according to the guidelines will be returned for revision or not considered
