At least 25% of this program is dedicated to participant interaction.

LEARNING OBJECTIVES

By the end of this program, participants will be able to:

- Accurately identify key red flags and systemic associations of common and urgent pediatric ocular conditions
- Establish and implement clear, evidence-based co-management protocols
- Demonstrate effective interprofessional communication by accurately describing diagnostic priorities, protocols, and terminology used

STUDY CREDITS

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University.

You may claim a maximum of 5.0 hours (Credits are automatically calculated.)

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has received an educational grant from: Platinum - Bayer, Gold - Roche, Silver - AbbVie, Bronze - Alcon, Bausch + Lomb, Biocon, Macumira, Sun Pharma, and Thea
