STUDY CREDITS

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University for **up to 3.5 Mainpro+ credits (Program ID: 191152)**

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program

A digital copy of each participant's certificate of attendance will be sent to the email address that was provided at the time of online registration.

PROGRAM

Moderated by: Dr. Kevin Fung and Dr. Upender Mehan

11:00 - 11:55 Sign-In Desk Opens and Refreshments Served
11:55 - 12:00 Welcome and Introduction <i>Dr. Kevin Fung</i>
12:00 - 12:30 Dr. Smriti Nayan with Dr. Murad Husein "An Update and Approach to Primary Care Pediatric Otolaryngology Conditions"
12:30 - 12:40 Interactive Discussion
12:40 - 13:10 Dr. Avik Banerjee with Dr. Kathryn Roth "Skin Cancers of the Head, Neck and Scalp - A Review of Diagnosis, Management and Follow-up"
13:10 - 13:20 Interactive Discussion
13:20 - 13:50 Dr. Vinita Bindlish with Dr. Leigh Sowerby "Management of Chronic Rhinosinusitis in Primary Care"
13:50 - 14:00 Interactive Discussion
14:00 - 14:30 Refreshment break
14:30 - 15:00 Dr. Kristelle Chueng with Dr. Danielle MacNeil "Thyroid Nodules and TI-RADS Guidelines"
15:00 - 15:10 Interactive Discussion
15:10 - 15:40 Dr. Irene Zhang with Dr. Lorne Parnes "Sudden Sensorineural Hearing Loss"
15:40 - 15:50 Interactive Discussion
15:50 - 15:55 Completion of Evaluations
15:55 - 16:00 Closing Remarks

** 25% of this program is dedicated to participant interaction **

LEARNING OBJECTIVES

1.

To review common ENT conditions, such as otitis media and tonsillitis, in the pediatric population and their medical and surgical management.

Talk title: "An Update and Approach to Primary Care Pediatric Otolaryngology Conditions"

At the end of the workshop, participants will be able to:

- Describe current evidence in the approach to otitis media and tonsillitis in the pediatric population.
- Describe the indication for surgical management of otitis media and tonsillitis in the pediatric population.

2.

To understand the presentation of common head and neck skin cancers and their management.

Talk title: "Skin Cancers of the Head, Neck and Scalp - A Review of Diagnosis, Management and Follow-up"

At the end of the workshop, participants will be able to:

- Recognize typical and atypical presentations of common head and neck skin cancers.
- Investigate and triage common head and neck skin cancers.
- Describe general principles of management of common head and neck skin cancers.

3.

To review the clinical presentation and management of acute and chronic rhinosinusitis.

Talk title: "Management of Chronic Rhinosinusitis in Primary Care"

At the end of the workshop, participants will be able to:

- Generate a comprehensive list of differential diagnoses for patients presenting with symptoms consistent with acute and chronic rhinosinusitis.
- Treat acute and chronic rhinosinusitis based on current evidence.
- Select appropriate patients with symptoms of acute and chronic rhinosinusitis for ENT referral.

4.

To review the presentation of thyroid nodules and understand their management and follow-up, based on TI-RADS scoring.

Talk title: "Thyroid Nodules and TI-RADS Guidelines"

At the end of the workshop, participants will be able to:

- Gain an approach to thyroid nodules.
- Apply TI-RADS scoring system in the management of thyroid nodules.

5.

To distinguish sudden sensorineural hearing loss from other presentations and review the urgency and acute management of this condition.

Talk title: "Sudden Sensorineural Hearing Loss"

At the end of the workshop, participants will be able to:

- Recognize the presentation of SSNHL as an ENT emergency and consult accordingly.
- Describe the general principles of acute management of SSNHL.

Dr. Smriti Nayan

Dr. Murad Husein

Dr. Avik Banerjee

Dr. Kathryn Roth

Dr. Vinita Bindlish

Dr. Leigh Sowerby

Dr. Kristelle Chueng

Dr. Danielle MacNeil

Dr. Irene Zhang

Dr. Lorne Parnes

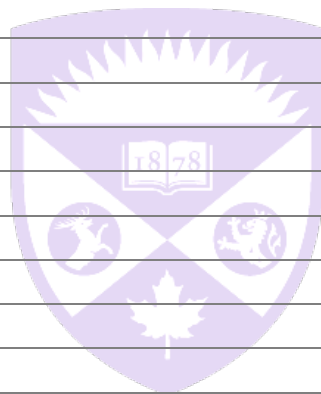

ABOUT THE SPEAKERS (In order of presentation)

Dr. Smriti Nayan MD, MSc, FRCSC	Assistant Clinical Professor (Adjunct) Department of Surgery McMaster University
Dr. Murad Husein MD, MSc, FRCSC	Associate Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Research Interests / Specializations: Paediatric Airway Pathology, Velopharyngeal Insufficiency, Sinonasal Disease in Paediatric Cystic Fibrosis, Paediatric Otolaryngology
Dr. Avik Banerjee MD, FRCSC	Adjunct Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Appointments: Cambridge Memorial Hospital; Grand River Hospital Corporation, Kitchener; Louise Marshall Hospital, North Wellington Health Care, Mount Forest; St Mary's General Hospital, Kitchener
Dr. Kathryn Roth MD, FRCSC	Associate Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Research Interests / Specializations: Facial Plastic & Reconstructive Surgery, Melanoma & Skin Cancer and Reconstruction, Thyroid and Parathyroid Surgery, General Adult Otolaryngology
Dr. Vinita Bindlish MD, Pharm.D., FRCSC, MBA, LLM	Adjunct Professor Department of Surgery Michael G. DeGroote School of Medicine, McMaster University Staff Physician, Grand River Hospital Appointments: Cambridge Memorial Hospital; Grand River Hospital Corporation, Freeport Site, Kitchener; Grand River Hospital Corporation, Kitchener Waterloo Site; St Mary's General Hospital, Kitchener
Dr. Leigh Sowerby MD MHM FRCSC	Associate Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Research Interests / Specializations: Nasal and Sinus Complaints, Chronic Rhinosinusitis, Endoscopic Sinus Surgery, Endoscopic Skull Base Surgery, Septorhinoplasty
Dr. Kristelle Chueng MD, FRCSC	Adjunct Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Appointments: Clinton Public Hospital, Stratford General Hospital
Dr. Danielle MacNeil MD, FRCSC	Assistant Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Research Interests / Specializations: Head and Neck Oncology, Endocrine Surgery, Head and Neck Microvascular Reconstructive Surgery
Dr. Irene Zhang MD FRCSC	Assistant Clinical Professor McMaster University Staff Physician Milton Site Halton Healthcare Services, Oakville Trafalgar Memorial Hospital
Dr. Lorne Parnes MD, FRCSC	Professor Department of Otolaryngology – Head and Neck Surgery Schulich School of Medicine & Dentistry, Western University Division Chief – Otology/Neurotology, London Health Sciences Centre Research Interests / Specializations: Otology/Neurotology: Vestibular Disorders, Hearing Loss including Cochlear Implants, Lateral Skull Base Surgery, Facial Nerve Disorders

Dr. Smriti Nayan with Dr. Murad Husein:
