

WEEK 5: A PRACTICAL APPROACH TO VERTIGO

ENT Refresher Webinar Series Goals:

To expand the lines of communication between primary care physicians and specialists in Otolaryngology-Head & Neck Surgery, and to share discussion and recent advances as it pertains to complex or challenging cases in Otolaryngology.

By the end of this ENT Refresher Webinar series, participants will be able to:

1. Apply knowledge of recent advances to complex or challenging cases in Otolaryngology
2. Employ an increased quality of care to patients requiring ENT based treatment
3. Recognize when a referral to an ENT specialist should occur, and how to optimize pre-referral workup

AGENDA

12:00 – 12:15 pm

Webinar Login

12:15 - 12:20 pm

Welcome and Introduction: Dr. Hayder Al-Tukamchi

12:20 – 1:05 pm

Lecture: A Practical Approach to Vertigo

Dr. Lorne Parnes and Dr. Horace Chen

Objective: To develop a reasonable differential diagnosis on patients presenting with vertigo, and to order appropriate investigations.

At the end of the workshop, participants will be able to:

1. Develop an approach to history taking and physical examination that would narrow the differential diagnosis on patients presenting with vertigo
2. Order the appropriate investigations using the Choosing Wisely Canada framework

1:05 – 1:30 pm

Question and Answer session: Moderated by Dr. Hayder Al-Tukmachi

Study Credits: This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University for up to 1.25 Mainpro+ credits. Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has been made possible through an educational grant from:
