WEEK 1: COMMON PEDIATRIC ENT ILLNESSES

ENT Refresher Webinar Series Goals:

To expand the lines of communication between primary care physicians and specialists in Otolaryngology-Head & Neck Surgery, and to share discussion and recent advances as it pertains to complex or challenging cases in Otolaryngology.

By the end of this ENT Refresher Webinar series, participants will be able to:

1. Apply knowledge of recent advances to complex or challenging cases in Otolaryngology
2. Employ an increased quality of care to patients requiring ENT based treatment
3. Recognize when a referral to an ENT specialist should occur, and how to optimize pre-referral workup

AGENDA

12:00 – 12:15 p.m.

Webinar Login

12:15 – 12:20 p.m.

Welcome and Introduction: Dr. Eric Wong

12:20 – 13:05 p.m.

Lecture: Common Pediatric ENT Illnesses

Dr. Julie Strychowsky

Objectives: *At the end of the workshop, participants will be able to:*

1. Apply current evidence and clinical practice guidelines to the assessment and management of common pediatric ear, nose, throat, and sleep-related conditions
2. Recognize key clinical features and red flags that distinguish common, self-limited pediatric ENT conditions from those requiring further investigation or urgent assessment
3. Identify when referral to Pediatric Otolaryngology is indicated and optimize pre-referral evaluation and management

13:05 – 13:30 p.m.

Question and Answer session: Moderated by Dr. Eric Wong

Study Credits: *This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University for up to xx Mainpro+ credits. Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.*
