

DEPARTMENT OF PAEDIATRICS

MARCH 20TH, 2023: 1200-1300

LONG-TERM KIDNEY HEALTH IN CHILDREN ECMO SUPPORT POPULATION, WHAT IS ACUTE CAN BECOME CHRONIC

Presenter

Dr. Stéphanie Reynaud, MD,

Department of Paediatrics AP-HP Salcay University, France

**Physicians, Nurses, Health
Disciplines are Welcome to
attend!**

Via
Zoom

OBJECTIVES:

By the end of the hour, participants should be able to

1. Understand the Importance and risk factors of AKI and CKD in children exposed to ECMO
2. Monitor long term kidney health in children exposed to ECMO
3. Understand the utilization of existing institutional and administrative information healthcare sources to understand long-term outcomes of children treated with ECMO

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
