

Child Health Research Day

May 31st, 2023

Dr. Lisa A. Robinson, MD, FRCP(C), FASN, FCAHS
Vice Dean, Strategy & Operations,

**Professor, Department of Paediatrics, Temerty Faculty of Medicine,
University of Toronto, The Hospital for Sick Children Research Institute**

Dr. Lisa Robinson is Vice Dean, Strategy & Operations, and Professor, Department of Paediatrics and Institute of Medical Science, Temerty Faculty of Medicine, University of Toronto. She is a Senior Scientist in Cell Biology at the SickKids Research Institute and holder of a Canada Research Chair Tier 1 in Vascular Inflammation and Kidney Injury. As Vice Dean Dr. Robinson leads the Faculty's Offices of Inclusion and Diversity, Indigenous Health, and Access and Outreach. Dr. Robinson is the founder and director of Kids Science, a SickKids Research Institute program which provides opportunities for middle- and high-school students from underserved communities to improve their understanding of science and technology, and to make positive educational and career choices.
