Everyone is Welcome

Motorized Road Traffic Deaths & Injuries: An interrogation of Policy and Regulatory Framework at Global, Regional and Country levels?

Biography:

Prof. Francis Nyongesa Wegulo is presently a Professor of Human Geography at Egerton University, Kenya. He holds a PhD in Economic Geography from the Graduate School of Geography at Clark University, Massachusetts, USA. For the past 28 years, he has been engaged in scientific research, university teaching especially in the area of human geography, as well as mentoring of students. Between 2009 and 2003 he was a member of Western and Egerton Universities' collaborative team that conducted research in Lake Naivasha basin, Kenya on the theme of Ecohealth. He currently serves as a member on editorial boards of several journals such as *The African Environmental Review Journal*, *Egerton University Journal of Environment Natural Resources Management, and Society*; and *Egerton Journal of Humanities, Social Sciences and Education*. He is a visiting scholar at Western University.
