**“Addressing the Competency Based Medical
Education Design Dilemma in a Small Pathology
Residency Training Program”**

After our session, participants should be able to:

- 1) Incorporate key factors for success when designing a CBME based rotation;
- 2) Design a CBME rotation based on Kern's curricular model and pathology based assessment tools; and
- 3) Reflect on how CBME may be applied to your pathology education practices.

The Novel Education Resource Development Group is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
