Functional Genomics, Dept. of Biology, Western
University

**Thursday September 21, 2017
12:00 – 1:00 pm
Auditorium A, University Hospital**

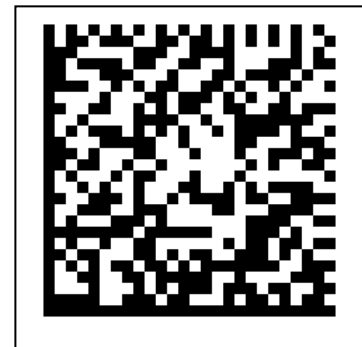

Everyone is Welcome
Light refreshments will be provided

Imposter Syndrome: How to Keep Self-Doubt from Sabotaging Your Success

Objectives:

1. This talk will introduce the Imposter Syndrome and the tangible impact that being an Imposter has on success.
2. It will help participants identify which variety of Imposter they are.
3. It will then provide concrete guidelines for overcoming the Imposter Syndrome.
