

Pathology and Laboratory Medicine Grand Rounds

Dr. David Viswanatha

MD, Associate Professor, Mayo Clinic School of Medicine; Consultant Hematopathologist, Div. of Hematopathology, and Lab Co-Director of Molecular Hematopathology, Mayo Clinic Rochester MN

Thursday, April 19, 2018

12:00 – 1:00 pm

Auditorium C, University Hospital

Everyone is Welcome

Light refreshments will be provided

Molecular Diagnostics of Hematologic Neoplasms: Next Generation Sequencing and Next Generation Challenges

Objectives:

1. Understand basis of Next Generation Sequencing (NGS) technology and its advantages, shortcomings and costs in clinical application
2. Identify role for NGS testing in hematologic malignancies, with emphasis on myeloid tumors
3. Describe the current practical utility of NGS and relevant caveats concerning current scope
