

Department of Pathology and Laboratory Medicine

# DR. ROBERT ZHONG SEMINAR

## Eldon Molto

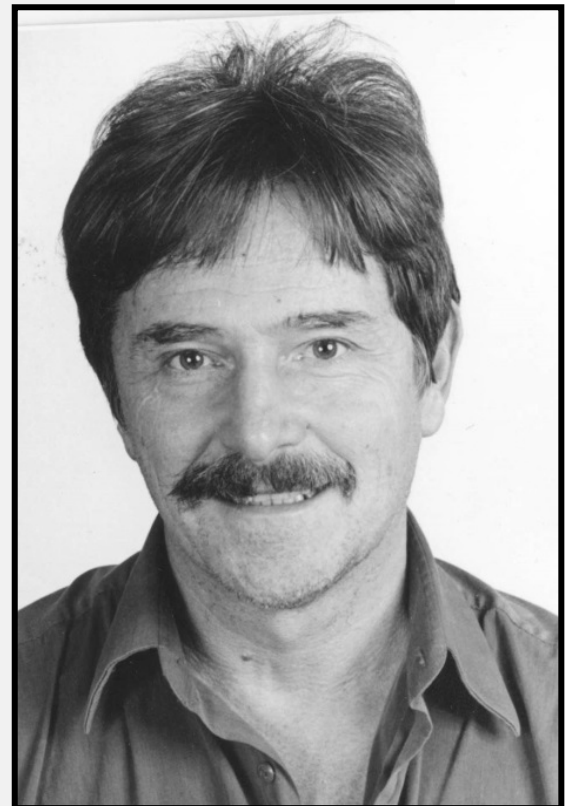

Emeritus Professor

Thursday, May 17, 2018

12:00 – 1:00 p.m.

Auditorium A,  
University Hospital

**“Paleoepidemiology of Cancer:  
evidence from the  
Dakhleh Oasis, Egypt.”**

Objectives:

1. to document cases of cancers in antiquity in ancient Egypt
2. to place these data in a paleo-epidemiological context in terms of how common cancer was in this past population
3. to illustrate the importance of paleoepidemiology to contemporary clinical medicine and pathology
