Schulich School of Medicine & Dentistry

Professor,

Departments of Clinical Neurological Sciences and Oncology

**Thursday, November 7, 2019**

**12:00 – 1:00 pm**

**Auditorium A, University Hospital**

Everyone is Welcome

## “Building the foundation: observation and feedback in CBME”

The participant will be able to:

1. Describe the challenges of ensuring meaningful feedback in clinical learning situations
2. Recognize the impact of both the individual and the learning culture on how feedback unfolds
3. Strategize about how observation and feedback can be used more effectively in residency education
