Western University

Monday, February 11, 2019

1:00 – 2:00 p.m.

A3-100, University Hospital

PaLM & The New UME Curriculum

Objectives:

After this session on UME curricular renewal participants should be able to:

1. Explore the new curriculum and pedagogical model
2. Reflect on your role in and contributions to the new curriculum
3. Examine integration options for Pathology & Laboratory Medicine in the new curriculum

Videoconferencing available from Victoria Campus D1-235 Event #108077832
