

**NOVEL EDUCATION  
RESOURCE DEVELOPMENT**

## Madeleine Norris, PhD

Deptment of Anatomy and Cell Biology  
Schulich School of Medicine and Dentistry  
Western University

**Monday, May 6, 2019**

**1:00 – 2:00 p.m.**

**A3-100, University Hospital**

## Evaluation of Schulich's current basic science pre-clerkship curriculum through the lens of UME clerkship directors

By the end of this talk participants will be able to identify:

1. UME clerkship directors' perceptions of necessary basic science concepts, along with current student strengths and weaknesses
2. Current students' retention levels of basic science concepts deemed necessary by clerkship directors
3. The connection between current curricular content and student assessment performance
