

Department of Pathology and Laboratory Medicine

GRAND ROUNDS

Dr. Matthew Cecchini

MD, PhD, FRCPC

Assistant Professor

Department of Pathology and Laboratory Medicine

Western University and London Health Sciences Centre

Thursday, September 24, 2020

12:00 – 1:00 pm

Schulich Webinar

“The Long and Short of it: Shortened Telomeres and Senescence in Interstitial Lung Disease”

By the end of the session participants should be able to:

1. Identify features of short telomere syndrome
2. Appreciate the role of shortened telomeres and other drivers of senescence in interstitial lung disease
3. Outline potential future therapies and diagnostics directed against senescence associated interstitial lung disease.
