

Department of Pathology and Laboratory Medicine

GRAND ROUNDS

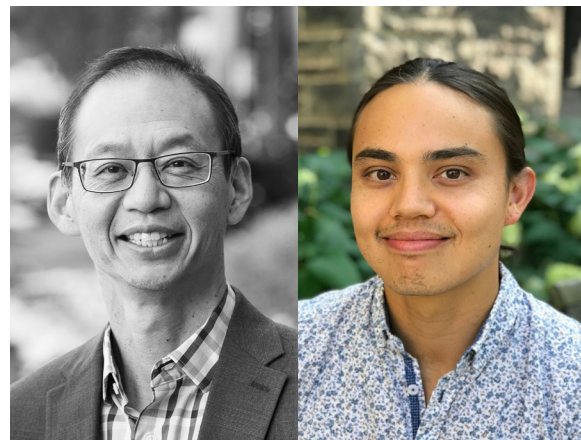

Dr. Ian Chin-Yee

MD, FRCPC

Program Head of Laboratory Medicine and
Medical Director Hematology

Pathology and Laboratory Medicine,
London Health Sciences Centre & Western University

Professor Emeritus, Division of Hematology, Department of Medicine,
Schulich School of Medicine & Dentistry, Western University

Dr. Benjamin Chin-Yee

MD, MA

Clinical Fellow, Division of Hematology,
Department of Medicine, Western University

Postdoctoral Associate,
Rotman Institute of Philosophy, Western University

Thursday, November 18, 2021 • 12:00 p.m. – 1:00 p.m.

“Molecular Diagnostics for Myeloid Malignancies: Choosing Wisely Together”

Learning Objectives:

1. To recognize trends in molecular diagnostics for myeloid malignancies
2. To review the clinical value of NGS compared to cytogenetics
3. To discuss a case study in “Choosing Wisely”: The investigation of erythrocytosis in the molecular era 2005-2021
4. To address the question: How can we “Choose Wisely Together”?
5. To describe a prediction rule for JAK2 positivity
6. To identify drug-induced causes of erythrocytosis
7. To propose an alternative diagnostic algorithm that integrates clinical-laboratory perspectives
