Dear Dr Chan,

Northwest Arkansas Pathology Associates, PA, at 390 E. Longview Fayetteville, AR 72703 is looking for a skilled ASCP certified or eligible Pathologists’ Assistant to join our group of 12 pathologists and 2 Pathologists' Assistants. Our group serves multiple hospitals in the Northwest Arkansas area. Our Pathologists’ Assistants work on a wide variety of surgical dissections in a busy environment with friendly co-workers. Our surgical load is averaging 40,000 cases per year with less than 1 autopsy per month.

Our competitive compensation package includes paid relocation expenses, paid scientific meeting and scientific membership, paid health insurance coverage for you and your family, and ability to participate in 401(k) and money purchase plan after 1 year of employment, and paid vacation.

Northwest Arkansas is a wonderful place to live and has numerous opportunities for sports and various cultural events: We are the home of the University of Arkansas Razorbacks, a minor league baseball team (the Naturals), Crystal Bridges Museum of American Art, Beaver Lake for fishing and boating as well as access to over 100 miles of hiking and biking trails. Fayetteville, AR has ranked in the top ten best places to live in America for several years by US News and World Report. A number of corporate home offices are located in Northwest Arkansas such as Wal-Mart, Tyson Foods and J.B. Hunt Transportation. All of these make Northwest Arkansas a prime relocation area.

I or any of my colleagues would be glad to answer any questions you may have.
Sincerely, Tom Whiteside MD, Pathologist
