

Join Our Team as a Pathologists' Assistant (PA) at Clin-Path Associates!

Clin-Path Associates is expanding! We are seeking a highly motivated 8th Pathologists' Assistant (PA) to join our dynamic team of seven experienced PAs in Tempe, Arizona. Whether you're a new graduate eager to start your career or an experienced professional looking for a stimulating work environment, this opportunity is perfect for you. Our team boasts decades of expertise, providing a rich learning environment and the chance to grow alongside seasoned professionals.

Why Join Clin-Path Associates?

- **Diverse Specimen Exposure:** Our group services two hospitals affiliated with Banner MD Anderson and operates a private pathology laboratory. PAs rotate through each location, experiencing a wide variety of specimens and complexities. At Banner Gateway hospital, you'll encounter a high volume of breast, GI, and head and neck specimens. Banner Desert offers a diverse specimen range, including bone and soft tissue tumors, occasional Wilms' tumors, and other pediatric cases.
- **State-of-the-Art Facilities:** In December 2024, our private lab moved to a new, larger facility featuring the latest grossing technology, providing an enhanced work environment. Pathologist offices will be on-site, fostering close collaboration and consultation on challenging cases.
- **Additional Benefits:** Our PAs have the opportunity to earn extra compensation through our partnership with the Donor Network of Arizona. You may also earn additional accrued PTO by participating in voluntary Saturday/Sunday grossing sessions.
- **Prime Location:** Clin-Path Associates is located in the vibrant Phoenix Metro area, near Arizona State University. Enjoy a rich cultural scene with abundant restaurants, nightlife, and outdoor adventures.
