

My name is Row, and I'm reaching out from Global Healthcare IT. We're currently seeking a Pathologist Assistant for a per diem contract position in Los Angeles. I wanted to ask if you might have any recent grads or alumni who are currently exploring new opportunities.

Please let me know the best way to connect further or share details with interested candidates.

Job Description:

Pathologist Assistant

Duration: 1 year contract

Location: Los Angeles, CA

Pay Rate: \$85/hr W2

Shift: The hours could be between 9am – 8:30pm. Per Diem position for us, flexible on hours/days

Under the supervision and direction of the Chief of Anatomic Pathology, and/or Director of Operations, Anatomic Pathology, and/or the Clinical Specialist – Supervisor, the Clinical Specialist (Pathologist' Assistant) provides support to the Anatomic Pathology Department. Responsibilities include description, photographing, and grossing of specimens and assistance with frozen sections. The Pathologists' Assistant may assist with administrative functions including preparation and administrative maintenance of protocols, procedures, reports, data, and instruments and may perform administrative, budgetary, teaching, and other duties.

REQUIRED: Must be PA(ASCP) certified

Thank you in advance for your time!
