Dr. P.C. Raju & Jyoti Shah Graduate Education Prize

Application Form

Student:     Date:
Supervisor:    Co-Supervisor:

The following criteria must be met to qualify for the prize:

The graduate student has to be currently registered and be within terms of eligibility (6 terms in MSc/MClSc, and 12 terms PhD) in the Pathology and Laboratory Graduate Education Programs (Research based MSc/PhD and/or MCISc-Pathologists’ Assistant)

A student can receive this prize for a maximum of two years during their tenure in the program.

Please provide a cover letter with the answers to our questions below.

1. When was the article published? Attach a copy of the article or e-print (or journal notification of acceptance).

2. How is the work related to your thesis (or program equivalent) project?

3. What was your contribution to the publication? Only substantial contributions will be considered for the prize and may include conception and design of the work, conducting experiments/studies, acquisition and analysis of data, interpretation of data, drafting of the manuscript, and revisions for critical or important intellectual content.

4. Explain why your publication should be considered? In 500 words or less, describe the significance and impact of your publication to your field.
