*In order to qualify for reimbursement course attendance must be pre-approved by the Program Director (residents) or Supervisor (fellows).

1. Anatomical Pathology Residents, Neuropathology Residents and non-self-funded Clinical Fellows are eligible for reimbursement up to a maximum of $3,000.00 per year. Neuropathology Residents will be eligible for reimbursement up to a maximum of $6,000.00 for PGY4 and PGY5 combined. Reimbursement will be allowed to occur at any time during PGY4 and PGY5 to accommodate the Pediatric Neuropathology Rotation.

2. The annual meeting of the Canadian Association of Pathologists held in June or July is regarded as occurring at the end of the relevant academic year, for purposes of reimbursement, whether it occurs in June or in July.

3. To be eligible for reimbursement, travel expenses must fall within Western University travel guidelines:
   - Preparing to Travel: [http://www.uwo.ca/finance/procurement/preparing_to_travel/index.html](http://www.uwo.ca/finance/procurement/preparing_to_travel/index.html)
   - Airfare: Economy or discount rate.
   - Mileage Rates: [treasury board rate](https://www.treasuryboard.canada.ca/en/financial-planning-travel-costs/funds.html) + receipts for other incidentals related to travel, e.g. parking, tolls (gasoline is included in the per kilometer rate)
   - Hotel Rates: Economy or discount rate
   - Meal Guidelines: For meals incurred on University-related business, individuals now have a choice of claiming either meal allowances or actual meal costs supported by original itemized receipts, up to the maximum allowable Treasury Board Meal rates
   - Conference Registration: Will be reimbursed
• Workshop registration, short courses: Will be reimbursed

4. **Mileage reimbursement limitations**: Based on the treasury board mileage rates, it is expensive to use a private vehicle for long distance travel to places like Toronto, Ottawa, or Detroit. Alternative forms of transportation, such as car rental, or train fare, are often more economical and are encouraged whenever possible.

5. **Shared transportation and accommodation**: Residents and fellows are encouraged to share transportation and/or accommodations whenever feasible.

6. **Original receipts are required** for reimbursements of all forms of transportation, accommodation and meals, registration and course fees. Electronic receipts, such as those provided by airlines, are acceptable receipts. Where possible, please include **boarding passes**.

7. **Travel awards**: Residents and fellows are encouraged to apply for travel awards, such as Schulich School of Medicine & Dentistry PGE travel awards, the PSI Foundation and the Marvin S. Smout Resident Award. Travel awards will be applied first to any travel expense claim, and any balance owing will be reimbursed in accordance with this travel policy.

8. **Presentation at meeting**: If an abstract is accepted for presentation at a meeting, a copy of the letter of acceptance and the abstract must be included with the travel claim.

9. **Affiliation**: Appropriate credit should be given in presentations and posters, e.g. “Dr. Resident, Department of Pathology and Laboratory Medicine, London Health Sciences Centre and Western University”.
