Cancellation Policy

Western University Canada reserves the right to cancel this program due to insufficient registrations or circumstances beyond its control. Registrants will be notified at the earliest possible date in the event of a cancellation. Tuition fees for courses cancelled by Western will be refunded in full; however, Western will not be liable for any loss, damages or other expenses that such cancellations may cause.

Privacy Policy

Western respects your privacy. The personal information collected on this form is collected under the authority of The University of Western Ontario Act, 1982, as amended, and is used for the following purposes:

- to provide you with confirmation of registration for this program;
- to provide follow-up information to you about this course, as necessary;
- to inform you of future educational opportunities;
- to maintain class lists and attendance records so that you can obtain study credits/certificate of attendance where applicable.

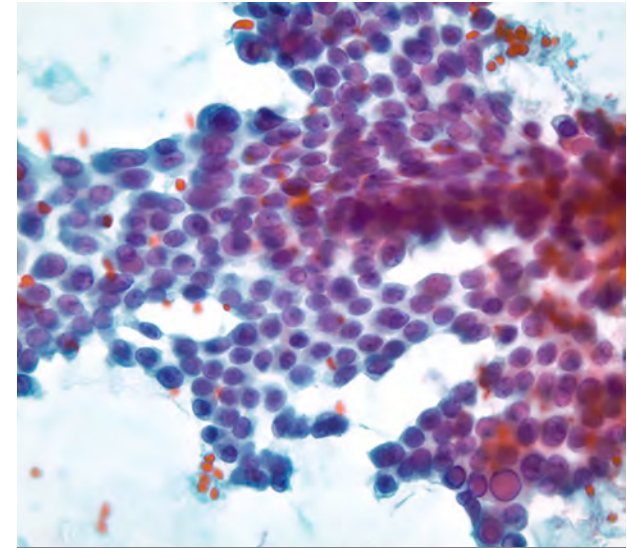

This information may be disclosed to professional bodies, as required. Please note that no information about you, including your e-mail address, will be disclosed to external third-party organizations without your consent. Your name and contact information can be removed from our database at any time by contacting Continuing Professional Development by telephone, fax, e-mail or by regular mail. Please direct questions about this collection, use or disclosure of personal information to the Manager, Continuing Professional Development by telephone 519-661-2111, ext. 82936. By submitting your information, you are giving consent to Western to use your information as stated above.

Refund Policy

For courses with a tuition fee, a notice of cancellation must be received in writing 10 business days prior to the program date. A minimum of \$20 up to a maximum of 20% of the tuition fee, whichever is greater, will be charged for cancellations received on or before this date. Western regrets that refunds cannot be offered after the notice of cancellation deadline. Receipts are issued on the day of the course.

MEETING DESCRIPTION

This meeting will provide the audience an excellent opportunity to learn and share ideas with our cytopathologists and cytotechnologists. We have emphasized a patient-centered approach to the practice of cytology and highlighted recent advances and techniques as they apply to cytopathology. At least 25% of the day will be dedicated to participant interaction.

TARGET AUDIENCE

Pathologists, Pathology Residents, Cytotechnologists and Cytotechnology Students.

LEARNING OBJECTIVES

After this educational session, participants will be able to:

1. Assess their knowledge and skills on the current practice of cytopathology including latest diagnostic criteria, techniques and terminology guidelines.
2. Recognize important changes in cytopathology patterns of practice in Ontario and understand their impact on the cytopathology profession.
3. Evaluate diagnostic approaches to complex cytological problems and pitfalls through interesting case studies.
4. Reflect on essential multidisciplinary collaboration and basic tools to implement quality improvement initiatives in your cytopathology laboratory.

ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University (5.5 hours). Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.
